ALI NAQVI JUDICIARY

This is a 4 day moving programme, vibrant, educative, real and relevant for all teenagers - getting ready to own their cities as adults. It takes participants to distinctive locations enabling them to get an overview and a hands-on experience, of layered aspects of living in a city- civil protest, judicial systems, police procedures to name a few. Participants go behind the scenes, interact with leaders and get a practical overview. They understand HOW to be the change maker.

The programme runs from 10:00 am to 2:00 pm everyday. Participants visit, the Parliament street police station, the courts, the Pradhanmantri Sangrahalaya and Studio Safdar. Exact locations will be shared prior to the programme.

They will be given tasks to complete, films to watch, workbooks to work in and reports to write, amongst many other things. They will be closely supervised by an ITIHAAS Team leader at all times.
